

Working with DISC.

Understanding personalities and what makes them tick.

Unlock the power of personality insights to transform how you work and communicate. In this interactive session, you'll dive into the fundamentals of the **DISC Personality Model**—a simple yet powerful tool for understanding yourself and others.

Whether you're leading a team, working with clients, or simply looking to enhance collaboration, this session will equip you with practical strategies to:

- ✓ Understand the four DISC personality types and their core traits
- ✓ Adapt your communication style for better results
- ✓ Work more effectively with a variety of personalities
- ✓ Improve team dynamics and professional relationships
- ✓ Reflect on your own DISC profile and how it shapes your behaviour

These valuable insights will elevate your communication, collaboration, and confidence in any workplace setting.
